**Explanations:**

1. If the change affects more than one security, the effect of the change should be specified in a separate line for each security.
2. Date of change – all changes of the same type, in the same security, made on a single day, shall be summarized in a single line. In this context, changes which were made through

the Stock Exchange Clearing House and changes made directly in the Company's books should be separated.

3. The change – for a decrease, use the “-“ sign.
4. In all quantity fields, fill out the quantity of securities rather than in NIS par value.

There was a change only in the corporation's securities register (**with no change in the quantity of the corporation's securities**) as a result of:
