- 5.6 If the discount rate to be set for Additional Bonds shall be different than the discount rate for the outstanding Bonds (Series 185) at the time, the Bank will apply, prior to the issuance of the Additional Bonds to the Israel Tax Authority in order to obtain its approval to withhold tax at source from the discount fees with respect to the Bonds, a uniform discount rate shall be set, based on a formula which weights the different discount rates for the Bonds (Series 185) issued, if any. Where the said approval is received, the Bank will calculate the weighted discount rate for the Bonds (Series 185) immediately prior to the date of issuance of the Additional Bonds and will publish an immediate report, in which it will announce, together with the issuance results, the uniform weighted discount rate for the entire series, and the tax will be deducted at the redemption dates of the Bonds (Series 185) at the weighted discount rate described above and pursuant to statutory provisions. If such an approval is not granted, the Bank will notify in an immediate report regarding the results of the issuance, prior to the listing for trading, that it has not obtained the said approval and that the uniform discount rate shall be the highest discount rate generated for the Bonds (Series 185). Members of the Stock Exchange shall deduct tax at source upon repayment of the Bonds (Series 185) according to the discount rate reported as aforesaid. Therefore, cases could occur where tax is held at source with respect to the discount fees at the highest rate of the discount fees set for whoever held the Bonds (Series 185) prior to the issuance of the Additional Bonds. In such a case, an assessee who held the Bonds (Series 185) prior to the issuance of the Additional Bonds and until the repayment of the Bonds, may submit a tax filing to the Israel Tax Authority and receive a tax rebate in the amount deducted from the discount fees, if the said assessee is entitled to receive such a rebate by law.
- 5.7 For the avoidance of doubt, it is hereby clarified that the Trustee is under no obligation to examine, and the Trustee did not, in fact, examine, the need to provide collateral to secure the payments to the Bond Holders. By entering into this Deed of Trust, and by agreeing to act as trustee for the Bond Holders, the Trustee does not express an opinion, whether explicit or implicit, as to the ability of the Bank to meet its obligations towards the Bond Holders.
- 5.8 It is also clarified that the Trustee's signing the Deed of Trust should not be construed as expressing an opinion regarding the quality of the Offered Securities or the advisability of the investment therein.

The provisions of the Second Addendum to the Deed of Trust shall apply to the participation by such Controlled Corporation in Bond Holders’ meetings. The Bank will issue an immediate report on a purchase of Bonds by such a Controlling Corporation, to the extent it is required to do so by law. As long as the Bonds are owned by a Controlled Corporation, they shall not confer upon it voting rights in general meetings of Bond Holders, will not be counted when determining whether a legal quorum for holding those meetings is present, and will not be included in the “outstanding par value of Bonds” in connection with voting in meetings and the number of those who are present and vote therein.

23. Indemnity of the Trustee

- 23.1 The Trustee's fees and expenses shall be paid by the Bank in accordance with the provisions of the Deed of Trust. In addition, with respect to special matters that do not fall within the scope of the Bank's obligation to pay the Trustee's fees and expenses as set out in Section 19 above, the Trustee shall be entitled to be indemnified by the Holders of the Bonds or by the Bank, as the case may be, including in respect of reasonable expenses it incurred in connection with actions it performed pursuant to his obligations under the terms of This Deed or according to the law or at the demand of a competent authority or at the demand of the Bond Holders, provided that:

All of the said amounts shall have preference over the rights of the Bond Holders and subject to the provisions of any law, provided that the Trustee has acted in good faith and in accordance with the obligations imposed upon it pursuant to any law and pursuant to this Deed, and provided that the Trustee did not act with gross negligence or malice.

23.2 Entitlement to indemnification:

23.2.1 **Will apply to the Bank** in any case where (1) the entitlement to indemnification is established under any and/or competent authority law and/or under the terms of the Deed of Trust; and (2) actions that were carried out and/or are required to be carried out at the demand of the Bank.:-

It should be clarified that the payment in accordance with subsection (2) above does not detract from the Bank's obligation to bear the indemnification entitlement in accordance with the provisions of Section 23.2.1 above.
- 23.3 It is hereby clarified that if the expenses were incurred by the Trustee in connection with an action executed at the demand of Bond Holders of a specific series issued by the Bank or in connection with actions relating to a specific series only, the indemnification shall be paid by the Bond Holders of that series; if the expenses were incurred in connection with Trustee's actions that do not pertain to a specific series only, indemnification will be paid by the Bond Holders on a pro-rata basis in accordance with the outstanding amounts of the par value of each series.
- 23.4 The effective date for determining a Holder's indemnification liability is as follows:

- 23.5 Notwithstanding the provisions of this Section 23 above, whenever the Trustee sees fit, for the purpose of protecting and/or exercising the rights of the Bond Holders and/or whenever the Trustee will be required, pursuant to the provisions of This Deed and/or by law and/or a directive issued by a competent authority and/or pursuant to any law and/or at the demand of the Bank and/or at the demand of the Bond Holders, to institute legal proceedings and various actions pursuant to its obligation according to the Deed of Trust, the Trustee shall immediately convene a meeting of the Bond Holders in order to confirm their responsibility

In the event that the Bond Holders refuse to bear the expenses involved in the institution of the proceedings and the various actions taken by the Trustee, the Trustee shall not be required to institute the proceedings and various actions, provided that the matter under discussion is not one that cannot be delayed. It is hereby clarified that the Bond Holders' agreement to bear the indemnification amounts does not exempt the Bank from its obligations, should there be such obligations, pursuant to this Deed and/or in accordance with the law, to bear and cover expenses involved in the institution of proceedings and actions as aforesaid, without the aforesaid stipulating that the Bank is liable to bear the expenses where the Bond Holders refuse to bear the expenses involved in the institution of the proceedings. Furthermore, all funds to be received from disposal procedures and from various actions shall also be used to reimburse and cover the expenses which the Bond Holders as aforesaid. The aforesaid does not detract from the Trustee's duty to act in order to collect the funds from the Bank, where the Bank should have had to pay these funds. For the avoidance of doubt, it is clarified that whoever is not registered in the Bond Holders Register of the Bank on the effective date for any payment will not be entitled to that payment.
- 3.3.** The principal payment shall be made subject to the linkage terms set out in Section 5 below.

4. Interest on the Bonds

- 4.1.** The Unpaid Principal of the Bonds will bear a fixed annual interest rate at a rate to be determined in the Tender under which the Bonds (Series 185) will be offered and its rate will

be specified in an immediate report regarding the results of the offering (hereinafter - the **“Annual Interest”**).

- 4.2. The interest will be paid to the Bond Holders twice a year on February 28 and August 31 of each of the years 2024 through 2029, for a period of six (6) months ended on the day preceding the payment date, except for the First Interest Payment, which will be paid on February 28, 2024 in respect of the period beginning on the First Trading Day following the Tender Date of the Bonds until February 27, 2024 (hereinafter - the **“First Interest Payment”**).

- 4.4. Until the first trading day following the Tender that will be carried out in accordance with the First Offering Report, the Bank will publish the Interest Rate on the First Interest Payment as part of an immediate report as well as the annual interest rate and the semi-annual interest rate.

Repayment of the last principal payment shall be carried out upon the repayment of the Bonds’ Principal, against delivery to the Bank of the Bonds Certificates on the payment date, at its registered office or any other location regarding which the Bank will give notice, no later than five (5) business days prior to the payment date. It is clarified that those not registered in the Bonds Register on the effective date shall not be eligible for payment of interest in respect of the period preceding that date.
- 4.6. The Bonds will initially be issued at their par value, and therefore - at no discount.
- 4.7. The interest payments shall be subject to the linkage terms set out in section 5 below.

5. **Linkage of the principal and interest**

6. The Unpaid Principal of the Bonds and the interest of the Bonds shall be linked to the Basic Index as defined above, as follows: If it transpires on the effective date for any payment of principal or interest, as the case may be, that the Payment Index has increased or decreased compared to the Basic Index, the Bank will increase or decrease the payment of principal or interest, as the case may be, proportionately to the rate of increase or decrease of the Payment Index over the Basic Index. It should be noted that the linkage method of the principal and interest shall not change throughout the life of the Bonds. **Provisions regarding the payments:**

- 6.1.** Payment to entitled parties will be effected by check or by bank transfer, in favor of the bank account of the persons whose names are listed in the Register of Bonds (Series 185), and which will be noted in the details which will be submitted in writing to the Bank in advance, in accordance with the provisions of Section 6.2 below. If the Bank is unable to pay any amount to the entitled parties, due to reasons over which it has no control, the provisions of Section 11 of the Deed of Trust will apply.
- 6.2.** A Bond (Series 185) Holder shall notify the Bank in writing of his bank details for purposes of crediting payments to that Bond Holder pursuant to the terms of Bond (Series 185) as described above, or of a change in his bank details or his address, as the case may be; such notice will be issued to the Bank by certified mail; however, the Bank shall only be required to act in accordance with the Bond Holder's notice if such notice reaches its registered office at least fifteen (15) business days before the date fixed for any payment under the Bond. If the notice is late to arrive at the Company, the Bank will act according to the notice only in respect of payments due after the date of payment close to the date of receipt of the notice.
- 6.3.** Where a Bond Holder eligible to such payments did not provide the Bank with his bank details in advance, any payment on account of principal and interest shall be made by check sent by certified mail to his last address recorded in the Register of Bonds (Series 185). Posting a check to an Entitled Party by registered mail, as aforesaid, will be considered, for all intents and purposes, as payment of the amount that is specified therein, on the date on which it was posted as aforesaid, provided that it was paid upon its proper presentation for collection.
- 6.4.** In any case where a payment date of a principal and/or interest amount takes place on a day which is not a business day, the payment date will be postponed to the first business day thereafter, without any amount being added, and the effective date for the purpose of determining entitlement to redemption or interest will not change as a result thereof.
- 6.5.** Any mandatory payment required by law shall be deducted from any payment in respect of the Bonds (Series 185).

7. Early Redemption of the Bonds

If the Stock Exchange decides to delist the Bonds because the value of the series of the Bonds is less than the amount stipulated in the Stock Exchange's Rules and Regulations and guidance regarding the delisting of bonds, the Bank shall not exercise early redemption. The Bonds shall be delisted and all the tax consequences resulting therefrom shall apply.

It is clarified that in no case shall the Bank be entitled to initiate early redemption of the Bonds.

8. Immediate Repayment

For details regarding the right to call for immediate repayment of the Bonds (Series 185), see Section 7 of the Deed of Trust.

9. Bonds Certificates and their Split

- 9.1.** Each Bond certificate may be split into several Bond certificates, such that the aggregate amount of all principal amounts specified in those certificates will be equal to the principal amount specified in the certificate being split, provided that such certificates shall be issued only at a minimum of NIS 1,000 (one thousand) par value or multiples of this amount together with one additional certificate in respect of the remaining balance (if any).
- 9.2.** The splitting of the Bond certificate as described above will be carried out in accordance with an application for a split signed by the registered Bond Holder or his legal representatives, which will be delivered to the Bank at its registered office, together with the certificate of the Bond whose split is requested.
- 9.3.** The split shall be carried out within seven (7) days from the date on which the certificate was delivered at the Bank's registered office. The certificates of the new Bonds to be issued as a result of the split shall each have a par value in whole New Israeli Shekels.
- 9.4.** All expenses involved in the split, including taxes and levies, if any, shall be payable by the party requesting the split.

10. Transfer of the Bonds

- 10.1.** The Bonds may be transferred in respect of any par value amount, provided that such amount is in whole New Israeli Shekels. Any transfer of the Bonds that is not executed on the Stock Exchange shall be carried out in accordance with a Deed of Transfer drawn up in the format normally used for the transfer of shares, duly signed by the Bond Holder or his legal representatives, as well as by the transferee or his legal representatives; the Deed of Transfer will be delivered to the Bank at its registered office, together with the certificates of the Bonds transferred thereunder, and any other reasonable evidence required by the Bank in order to prove the transferor's right to transfer the relevant Bonds.
- 10.2.** Subject to the above, the provisions applicable to the manner of transfer of shares shall apply, *mutatis mutandis*, to the manner of transfer and endorsement of the Bonds.
- 10.3.** Where taxes or any other mandatory payment is imposed on a transfer letter of the Bonds, the Bank will be provided with reasonable evidence of the payment thereof, to the satisfaction of the Bank.
- 10.4.** In case of a transfer of only a part of the amount of Principal as stated in this Certificate, the Certificate will first be split, in accordance with the provisions of Section 9 above, into several Bond Certificates, as required, in a manner whereby the total sum of all Principal amounts specified therein will be equal to the specified Principal amount of the aforementioned Bond Certificate.

10.5. Once all of those conditions are complied with, the transfer will be recorded in the Register and the transferee will be subject to all the terms set in the Deed of Trust and the Bond in respect of that series.

10.6. All expenses, fees and commissions associated with the transfer shall apply to the party requesting the transfer.

11. Replacement of the Bond Certificate

In the event that a Bond certificate is worn out, lost or destroyed, the Bank may issue a new Bond certificate in its place, subject to the conditions set by the Bank with respect to evidence, indemnity and payment of an appropriate fee to cover the expenses incurred by the Bank in establishing the Bond's ownership right, as the Bank deems fit, provided that in the event of the Bond's wearing out, the worn out certificate will be returned to the Bank before a new certificate is issued. Levies and other expenses involved in the issuance of the new certificate shall apply to the person requesting the issuance of such certificate.

12. Changes in the Bonds' Terms and Conditions

Any amendment, waiver and/or settlement on any matter associated with the terms of the Bonds, and the rights arising therefrom, will be invalid unless it has been made in accordance with the provisions of Section 25 of the Deed of Trust.

15. Bond Holders' Register

For the provisions regarding the Register of Bond Holders, see Section 26 of the Deed of Trust and the provisions of the Securities Law.

Second Addendum to the Deed of Trust - Meetings of the Bond Holders

Bond Holders' meeting shall be subject to the provisions of the Securities Law, as well as the following provisions:

1. The Trustee will convene a Bond Holders' meeting at the request of one or more Bond Holders holding at least five percent of the outstanding par value of the Bonds. Furthermore, the Trustee or the Bank may, if they deem it necessary, summon the Bond Holders to a Bond Holders' meeting. If the Bank convenes such a meeting, it is required to notify the Trustee, in writing, of the place, date and time at which the meeting is to be held, as well as of the matters that will be discussed therein, and the Trustee or a representative on his behalf may participate in such a meeting without having a voting right. Where the meeting is convened at the request of Bond Holders, the Trustee may demand from those who requested the convening of the meeting indemnification for the reasonable costs involved therein.

It is clarified that an indemnification demand by the Trustee will not have an adverse effect on the convening of a meeting convened for the purpose of carrying out an action which is intended to prevent the infringement of the rights of the Bond Holders and such an indemnification demand will not detract from the Bank's duty to bear the expenses involved in the convening of the meeting.

A Trustee who was asked to convene a holders' meeting by holders as described above, shall convene the meeting within 21 days from the day on which the request to convene such meeting was made, for a date as set out in the summons, provided that the date of the meeting shall not be earlier than seven days and not later than 21 days from the date of the summons; however, the Trustee may bring forward the meeting to a date that is at least one day after the date of the summons, if he believes that such action is required in order to protect the holders' rights.

2. Any Bond Holders' meeting shall take place in Israel, at the Bank's registered office or any other location announced by the Bank and/or Trustee, and the Bank shall bear the reasonable costs of convening the meeting, whether or not such a meeting takes place at the Bank's registered office.
3. A summons for such a meeting by the Trustee, for consultation with the Bond Holders only, shall be published at least one day before the convening of said meeting ("**Consulting Meeting**"). A Consultation Meeting does not require an agenda and no resolutions shall be made therein.
4. The Nominee Company shall not use the voting rights of the Bonds registered in its name in the Register of Bond Holders, and such voting rights shall be conferred upon the Holder or any person named by him, provided that the holder received from the Nominee Company a power of appointment empowering him to vote.

5. No resolution lawfully passed in a meeting convened as aforesaid shall be disqualified, even if due to error, if notice thereof was not given to all Bond Holders, or if such notice was not received by all Bond Holders. The provisions of this Section shall apply if the summons for the meeting (or for a deferred meeting, as the case may be) was also delivered through the MAGNA system.
6. Any notice given by the Bank and/or the Trustee to the Bond Holders shall be delivered in accordance with the provisions of Section 24 to the Deed of Trust.
7. A Bond Holders' meeting shall be opened after it is proven that the legal quorum required for commencement of discussions is present, as follows:
 - 7.1. Subject to the provisions of the Securities Law and other provisions regarding legal quorum set out in the Deed of Trust, a legal quorum shall be constituted at any other meeting if it is attended, in person or by proxy, by at least two (2) Bond Holders who hold or represent together at least 25% of the Unpaid Balance of the Par Value of the Bonds at that time, and in a deferred meeting – if it is attended by two (2) such Bond Holders having no regard to the par value of Bonds they hold.
 - 7.2. In a meeting convened to pass a Special Resolution, a legal quorum shall be constituted if it is attended, in person or by proxy, by Bond Holders who hold or represent together at least 50% of the Unpaid Balance of the Par Value of the Bonds at that time, and in a deferred meeting – if it is attended by Bond Holders who hold or represent at least twenty (20%) of the par value of the said balance.
8. Meetings convened for the purpose of passing a resolution to call for immediate repayment shall be subject to the provisions of Section 7 to the Deed of Trust.
9. A holder who is a controlling shareholder of the Bank, a relative thereof or any corporation controlled by any of them (hereinafter – a **“Related Holder”**) shall not be taken into account for the purpose of determining the legal quorum at a meeting of holders, and their votes shall not be counted in the number of votes cast in such a meeting.
10. If, within half an hour from the time designated for the commencement of such meeting, no legal quorum is present, the meeting shall be adjourned to another date no sooner than two Business Days after the effective date set for the Original Meeting, or one Business Day, if the Trustee believes this is required to protect the rights of the holders; if the meeting was adjourned, the Trustee shall give the reasons for the adjournment in the report regarding the convening of the meeting and it may do so in the notice of convening the Original Meeting.
11. In the event that a legal quorum is not present in a Deferred Holders' Meeting, as specified in Section 10 above, one half hour after the time scheduled for it, the meeting will be held with any number of participants whatsoever, unless another requirement has been prescribed in the Securities Law.

12. The Trustee or a resolution passed by a ordinary majority of voters during a meeting attended by a legal quorum may, from time to time, decide to postpone the continuation of the meeting (hereinafter - the “**Original Meeting**”), the discussion or the passing of a resolution on a topic listed on the agenda to another date and place as decided by the Trustee or the meeting (hereinafter - “**Subsequent Meeting**”). Only topics which were on the agenda and in respect of which no resolution was passed will be discussed in a Subsequent Meeting.
13. The Trustee may declare that the Original Meeting and/or the Subsequent Meeting will be split into class meetings for discussion purposes. The classes shall be determined at the Trustee's sole discretion.
14. Where a Bond Holders’ meeting was adjourned without changing its agenda, summons for the new date for the Subsequent Meeting shall be issued as soon as possible and no later than 12 hours before the Subsequent Meeting; the said summons will be given in accordance with the provisions of Section 24 to the Deed of Trust.
15. A person or persons who will be appointed by the Trustee, the Bank and any other person or persons who will be authorized for this purpose by the Bank, may attend the Bond Holders’ meetings without any voting rights. If, at the Trustee’s discretion, a discussion in part of the meeting should be held without the presence of the Bank’s representatives, the Bank’s representatives or anyone acting on its behalf shall not attend that part of the meeting. Notwithstanding the provisions of Section 15, the Bank may attend the opening of the meeting in any event in order to express its position regarding any topic on the agenda of the meeting, and/or in order to present a particular issue (as the case may be).
16. Any resolution will be passed by counting the votes cast.
17. At every meeting of holders, the Trustee or anyone appointed by the Trustee shall serve as the chairman of that meeting. The chairman may determine that votes will be cast by using voting slips or by voting during the course of the meeting. Where the chairman determined that votes will be cast using voting slips, the Trustee will ensure that the text of the voting slip shall be posted on the MAGNA system and will set the time at which the vote will be closed and by which the holders should send to the Trustee their voting slips, after they have filled them out and signed them according to law. The Trustee may demand that holders declare within the voting slip whether or not they have conflicting interests. A holder who will not fill out the voting slip in full and/or will not prove his entitlement to participate and vote in the meeting in accordance with provisions and dates set by the chairman of the meeting shall be considered as not having delivered a voting slip and therefore as having opted not to vote on the matter(s) included in the voting slip. Accordingly, the Trustee may, at his own discretion and subject to any law, hold meetings by voting slips and without convening them, as well as to hold votes by voting slips in a deferred meeting not attended by the legal quorum required to pass a resolution, provided that through the date set for that purpose

in a notice on convening the meeting or on holding a vote, as the case may be, the Trustee will receive voting slips from holders who constitute the legal quorum required to pass a resolution in an Original Meeting or in a deferred meeting, as the case may be.

- 18.** Where a Bond Holders' meeting is convened (regardless of whether it was convened by the Bank, the holders or the Trustee), the Trustee will examine whether the Bond Holders have a conflict of interests between an interest that stems from their holding of the Bonds and any other interest they may have, as determined by the Trustee (hereinafter – a **“Other Interest”**). The Trustee may demand that a holder who participates in the meeting inform the Trustee, prior to voting, of any Other Interest he has and also whether he has such a conflict of interests.

Without derogating from the generality of the above, any of the following shall be considered to have a conflicting interest:

- 18.1. A Bond Holder which is a controlled corporation (as defined in Section 6.3 of the Deed of Trust);
 - 18.2. A Bond Holder who served as an officer of the Bank close to the date of the event that underlies the resolution to be voted on in the meeting;
 - 18.3. Any holder in respect of whom the Trustee determined that he has a “conflicting interest” pursuant to the following and subject to any law and/or any provision of a competent authority including: Any holder that will provide to the Trustee a written statement to the effect that he has any material personal interest that deviates from the interest of all the Bond Holders in the relevant Bond Holders' meeting. A holder who shall not provide such a written statement after he has been asked to do so by the Trustee, shall be considered as someone who has declared that he has such a vested interest and the relevant trustee shall determine in respect of them that they have a conflicting interest. Without derogating from the provisions of Section 18, the Trustee shall examine whether a holder has a “conflicting interest” after considering the holder's holdings in other securities of the Company and/or securities of any other corporation which is relevant to the resolution presented for the approval of the meeting (as described in the voting slip), in accordance with that holder's statement.
- 19.** It should be clarified that such an examination of conflict of interests, where the Trustee believes that it is required, shall be held separately for each and every resolution on the agenda of the meeting and also separately for each and every meeting. It should also be clarified that declaring a holder as having a Interested Party in any resolution or meeting does not, in and of itself indicate that the holder has another interest in another resolution on the agenda of the meeting or that he has Another Interest in other meetings.

20. For the purpose of assessing conflict of interests as aforesaid, the Trustee may rely on a legal opinion that he commissions, and the provisions of the Deed of Trust regarding bearing of expenses shall apply to such an opinion.
21. When counting the votes cast as part of voting in a holders' meeting, the Trustee shall not take into account the votes of holders that did not comply with its demand as set out in section 18 above or the votes of holders in respect of whom he found that a conflict of interests exists as stated in that section. Despite the aforesaid, where the total holdings of the holders who participate in the vote and who do not have a conflicting interests is lower than five (5) percent of the outstanding par value of the Bonds of the relevant series, the Trustee shall also count the votes of the holders who have conflicting interests.
22. Each holder, whether attending the meeting in person or by proxy, will have one vote in respect of NIS 1 par value of the total outstanding principal of the Bonds by virtue of which he is entitled to vote.
23. Where a bond is jointly held, only the vote of the person who is registered first in the Bond Holders' Register shall be counted.
24. An Bond Holder may use some of his votes to vote in favor of a proposed resolution, another portion of his votes to vote against the proposed resolution and another portion of his votes to abstain, all as he deems fit.
25. For purposes of counting abstaining votes in resolutions passed in a meeting, no distinction will be made between those having a 'conflicting interest' and those not having a "conflicting interest".
26. An instrument of appointment of an agent shall be drawn up in writing and signed by the appointer or by his proxy who was duly authorized in writing to do so. Where the appointer is a corporation, the appointment will be drawn out in writing, stamped with the corporation's stamp and signed by the authorized signatories of the corporation, and the appointee may act on behalf of the corporation he represents.
27. The instrument of appointment of an agent will be drawn up in any form that will be acceptable to the Trustee.
28. The agent is not obliged to be a Bond Holder himself.
29. The instrument of appointment and the power of appointment or the other certificate according to which the instrument of appointment or a certified copy of such power of appointment shall be delivered to the Trustee by the time of opening of the meeting, unless otherwise determined in the notice regarding the convening of the meeting.
30. A vote cast pursuant to the terms set out in the document that appoints an agent shall be valid even if the appointer has passed away, or was declared legally incompetent prior to the vote, or if the

instrument of appointment was revoked, or if the Bond in respect of which the vote was cast was transferred, unless a notice was received at the Bank's registered office prior to the meeting regarding the death of the appointer, or a declaration regarding legal incompetency, the revocation or transfer, as the case may be.

31. A vote cast pursuant to the terms and conditions set out in the document that appoints a proxy shall be valid even if: (1) the appointer has passed away, or was declared legally incompetent, or (2) if the instrument of appointment was revoked after the appointment, or (3) if, after the vote, the Bond in respect of which the vote was cast was transferred, unless a notice was received at the Bank's registered office or another address to be announced by the Bank or Trustee, prior to the meeting or vote, a written announcement regarding the death of the appointer, or a declaration regarding his incompetency, or the revocation or transfer thereof, as the case may be.
32. The Trustee shall draw up minutes of the meeting of the Bond Holders, which shall be recorded in the register of minutes and kept in the Trustee's registered office for a period of seven years from the date of the meeting. The minutes of each such meeting shall be signed by the meeting's chairman, and each such signed minute shall serve as a prima facie evidence of what is stated therein, and unless there is evidence to the contrary, any resolution that was passed in such a meeting shall be deemed to have been duly passed. The Trustee may draw up minutes of a meeting or parts thereof by means of a recording.
33. The register of minutes of the holders' meetings shall be maintained at the Trustee's office and shall be available for perusal by the Bank and Bond Holders.
34. The announcement of the chairman of the meeting that a resolution had been passed or rejected, and the entry made to that effect in the register of minutes, shall be prima facie evidence thereof.
