9. The impact of dividend distribution on convertible securities:

- ☐ The company does not have convertible securities.
- ☐ The dividend distribution does not impact the convertible securities.
- ☒ The impact of dividend distribution on the convertible securities is as follows:

Security name	Security number	Notes
<i>Leumi 8/22</i>	<i>1189158</i>	<i>Other</i>
		<i>The Bank has an outline for the offering of securities (options) and the full amount of the dividend per share will be deducted from the exercise price of the options that were awarded, as stated in Section 6 above.</i>

10. Directors' recommendations and decisions in connection with dividend distribution pursuant to Regulation 37(A)(1) to the Securities Regulations (Periodic and Immediate Reports), 1970:

- On May 27, 2024, the Bank's Board of Directors approved the distribution of profits at the total amount of approx. NIS 1,115 million (which constitutes 40% of the profits of the first quarter of 2024), of which a cash dividend of NIS 835 million (which constitutes 30% of the profit of the first quarter of 2024) and the remaining balance – NIS 280 million (which constitutes 10% of the profit of the first quarter of 2024) by way of buyback of shares. The

Board of Directors approved the said distribution of dividend, after it was presented with the following data:

- *The proposed dividend distribution does not have a material effect on the Bank's financial position.*

See below a breakdown of the balance of profits.

- *The balance of profits as defined in Section 302 to the Companies Law, prior to the proposed distribution totals NIS 40,065 million (after deducting NIS 5,075 million which are non-distributable profits).*
- *The balance of profits as defined in Section 302 to the Companies Law, after the proposed distribution totals NIS 44,230 million (after deducting NIS 5,075 million which are non-distributable profits).*
- *The effect of the proposed distribution on the structure of capital, capital adequacy, and leverage and liquidity ratios is based on the forecast for the forthcoming year, whereby the Bank's operating results in the year after the dividend distribution shall be such that the capital adequacy ratio and the leverage and liquidity ratios will not be lower than required.*
- *There is no concern that the dividend distribution shall prevent the Bank from meeting its existing and expected obligations.*
- *The proposed distribution is out of profits as defined in the Companies Law.*
- *The Bank complies with other regulatory restrictions stipulated by the Banking Supervision Department, including the provisions of Proper Conduct of Banking Business Directive No. 331 regarding "Distribution of Dividends by Banking Corporations", as well as capital adequacy, leverage and other restrictions.*

The Board of Directors assessed the Bank's compliance with the profit criteria and the solvency criteria set in Section 302(A) to the Companies Law, and in view of the above approved the Bank's compliance with the distribution criteria.

In view of the above, the Bank's Board of Directors decided to approve the distribution of a dividend of NIS 835 million, constituting 30% of the net income for the first quarter of 2024. For information in connection with the buyback plan for the purchase of the Bank's shares, including the reasons for the approval of the said buyback plan, see the Bank's immediate report of May 28, 2024, which is published concurrently with this immediate report.

The dividend to be distributed is derived from income that was subject to corporate tax out of profits accumulated through the first quarter of 2024.

The above information includes forward-looking information, as defined in the Securities Law, 1968. The Company's estimates may not materialize, in whole or in part, or may materialize in a materially different manner than expected, due to, among other things, changes in market conditions, and the materialization of one of the risks listed in the Bank's reports in its Board of Directors' report as of December 31, 2023 and in its 2023 periodic report, and in the financial statements as of March 31, 2024.

Notes to Sections 6 and 8

The dividend amount for one security is based on issued capital of 1,615,629,355 ordinary shares of NIS 1 par value each (net of 92,773,267 treasury shares in the Bank's capital, acquired under buyback programs implemented by the Bank in 2018, 2019, 2020 and 2023 (see immediate reports of November 22, 2018, reference no. 2018-01-112947, November 21, 2019, reference no. 2019-01-100803 and April 2, 2020, reference no. 2020-01-031027, of October 18, 2023, reference no.: 2023-01-117093, and of March 19, 2024, reference no. 2024-01-027753). On May 27, 2024, the Bank's Board of Directors approved a new buyback plan for the purchase of the Bank's shares at a total amount that will not exceed NIS 1 billion, as from May 29, 2024 through May 22, 2025. For details regarding the Bank's buyback plan, including the reasons for approval of the buyback plan as stated above, see the Bank's immediate report of May 28, 2024, which is published concurrently with this immediate report. If the number of treasury shares in the Bank's issued share capital will increase as part of the implementation of the said buyback plan, the dividend amount will be revised as of the effective date, and an immediate report will be published accordingly.
