

# 1H 2015 Earnings Presentation

The conference call does not replace the need to review the latest periodic/quarterly reports in which full information is contained, including forward looking information, as defined in the Israeli Securities Law, and set out in the aforementioned reports.

### The information contained in this presentation –

1. has been prepared by Bank Leumi le-Israel B.M. (the “Bank”);
2. is provided to you solely for your information and is not to be copied or distributed to any other person;
3. does not purport to be all-inclusive or to contain all the information that may be relevant in making any decision concerning an investment in the securities of the Bank.;
4. no representation or warranty, expressed or implied, is made by any person as to the accuracy or completeness of any of the information or opinions contained herein. In particular, no representation or warranty is given as to any forward- looking information, which is based, inter alia, on forecasts of the future regarding various matters related to economic developments in Israel and abroad, and especially to the foreign exchange and capital markets, legislation, directives of regulatory bodies, the behavior of competitors, technological developments, personnel issues, etc. and is subject to uncertainty and changes in circumstances. Actual results may differ materially from those included herein due to a variety of factors. For more information on the meaning of forward looking information, we would refer you to the Bank’s most recent published Consolidated Financial Statements;
5. does not constitute an offer or invitation to purchase or subscribe for any securities, nor does it constitute advice;
6. should not form the basis of or be relied upon in connection with any contract or commitment whatsoever.

## Capital development, NIS billions

## >> Successfully executing strategy

-  Focus on Israel
-  Leading the digital revolution and transforming the bank for the future
-  First of the Israeli banks to conclude US customer investigation with DOJ and NYDFS
-  Executing non-banking holdings strategy
-  Continuing streamlining, including merger of AI Bank into retail division and headcount reduction
-  Strong focus on business development
-  Leading market share in the Israeli banking system in middle market credit and deposits from the public
