SOUTHERN DISTRICT OF INDIANA
INDIANAPOLIS DIVISION**

TOM BAKER, Individually and on behalf
of all others similarly situated,

Plaintiff,

v.

CUMMINS INC., N. THOMAS LINEBARGER,
JENNIFER RUMSEY, and MARK A. SMITH,

Defendants.

CASE NO. 1:25-cv-00430-TWP-MKK

CLASS ACTION

NOTICE OF PENDENCY AND PROPOSED SETTLEMENT OF CLASS ACTION

If you purchased the publicly-traded common stock of Cummins Inc. (“Cummins” or the “Company”) during the period from February 11, 2019 and December 21, 2023, both dates inclusive (“Class Period”), you could get a payment from a class action settlement (the “Settlement”).

Under law, a federal court has authorized this Notice. This is not attorney advertising.

- If approved by the Court, the Settlement will provide one million six hundred thousand dollars (\$1,600,000.00) (the “Settlement Fund”) gross, plus interest as it accrues, minus attorneys’ fees, costs, administrative expenses, and net of any taxes on interest, to pay claims of investors who purchased publicly-traded Cummins common stock during the Class Period.
- The Settlement represents an estimated average recovery of \$0.22 per share for the approximately 7.2 million shares of publicly-traded Cummins common stock damaged during the Class Period. This is not an estimate of the actual recovery per share you should expect. Your actual recovery, if any, will depend on the aggregate losses of all Settlement Class Members, the date(s) you purchased and sold publicly-traded Cummins common stock, the purchase and sale prices, and the total number and amount of claims filed.
- Lead Counsel will ask the Court to award attorneys’ fees in an amount not to exceed 30% of the Settlement Fund (\$480,000), reimbursement of no more than \$95,000 in litigation expenses, and a total case contribution award to Lead Plaintiff not to exceed \$5,000. Collectively, the attorneys’ fees and expenses and Lead Plaintiff’s award are estimated not to exceed an average of \$0.08 per publicly-traded share of Cummins common stock damaged during the Class Period. If approved by the Court, these amounts will be paid from the Settlement Fund.
- The average approximate recovery, after deduction of attorneys’ fees and expenses approved by the Court, is \$0.14 per publicly-traded share of Cummins common stock damaged during the Class Period. This estimate is based on the assumptions set forth in the preceding paragraphs. This is not an estimate of the actual recovery per share you should expect. Your actual recovery, if any, will depend on the aggregate losses of all Settlement Class Members, the date(s) you purchased and sold Cummins common stock, the purchase and sale prices, and the total number and amount of claims filed.
- The Settlement resolves the above-captioned action concerning whether Cummins, N. Thomas Linebarger, Jennifer Rumsey, and Mark A. Smith (“Defendants”) violated the federal securities laws by issuing false and misleading statements to investors. Defendants deny each and every claim and contention alleged and deny any misconduct or wrongdoing whatsoever.
- Your legal rights will be affected whether you act or do not act. If you do not act, you may permanently forfeit your right to any recovery. Therefore, you should read this Notice carefully.

DEFINITIONS

All capitalized terms not otherwise defined herein shall have the same meanings as set forth in the Stipulation of Settlement, dated December 8, 2025 (the “Stipulation”).

COMMON QUESTIONS AND ANSWERS CONCERNING THE SETTLEMENT

1. Why did I get this Notice?

You or someone in your family may have purchased publicly-traded Cummins common stock during the period from February 11, 2019 to December 21, 2023, both dates inclusive.

2. What is this lawsuit about?

The case is known as *Baker v. Cummins Inc., et al.*, Case No. 1:25-cv-00430-TWP-MKK (the “Action”). The Court in charge of the case is the United States District Court for the Southern District of Indiana.

The Action involves allegations that Defendants made materially false and misleading statements to the public. Specifically, the Complaint alleges that Defendants, despite installing defective engines in certain vehicles that did not comply with the Environmental Protection Agency’s (“EPA”) and California Air Resource Board’s (“CARB”) standards, told investors that they prohibited the use of such defective devices in Cummins’ products. The Complaint further alleges that after Cummins disclosed it was being investigated by EPA and CARB for installing these defective engines, it did not adequately disclose the loss contingency for those investigations. As a result of using these defective devices, Cummins was investigated and fined by the EPA, CARB, and the U.S. Department of Justice. Defendants have denied and continue to deny all allegations of wrongdoing, fault, liability, or damage whatsoever asserted in the Action. The Settlement shall in no event be construed as, or deemed to be evidence of, liability, fault, wrongdoing, injury, or damages, or of any wrongful conduct, acts, or omissions on the part of any of the Released Parties, or of any infirmity of any defense, or of any damages to Lead Plaintiff or any other Settlement Class Member.

3. Why is this a class action?

In a class action, one or more persons and/or entities, called plaintiffs, sue on behalf of all persons and/or entities who have similar claims. All of these persons and/or entities are referred to collectively as a class, and these individual persons and/or entities are known as class members. One court resolves all of the issues for all class members, except for those class members who exclude themselves from the class.

4. Why is there a Settlement?

Lead Plaintiff and Defendants do not agree regarding the merits of Lead Plaintiff’s allegations or the average amount of damages per share, if any, that would be recoverable if Lead Plaintiff were to prevail at trial on each claim. The issues on which Lead Plaintiff and Defendants disagree include, among other issues: (1) whether Defendants made any allegedly materially false or misleading statements; (2) whether Defendants acted knowingly or were grossly reckless in making the alleged misrepresentations; (3) whether the alleged disclosures corrected the alleged misrepresentations; (4) the causes of the loss in the value of Cummins common stock; and (5) the amount of alleged damages, if any, that could be recovered at trial.

This matter has not gone to trial, and the Court has not decided in favor of either Lead Plaintiff or Defendants. Instead, Lead Plaintiff and Defendants have agreed to settle the case. Lead Plaintiff and Lead Counsel believe the Settlement is best for all Settlement Class Members because of the risks associated with continued litigation and the nature of the defenses raised by Defendants. Even if Lead Plaintiff were to win at trial, and also prevail on any appeal, Lead Plaintiff might not be able to collect some or any of the judgment they could be awarded.

5. How do I know if I am part of the Settlement?

The Settlement Class consists of all Persons and entities who purchased publicly-traded Cummins common stock from February 11, 2019 to December 21, 2023, both dates inclusive, subject to the exclusions in Question 6 below.

6. Are there exceptions to being included?

Yes. Excluded from the Settlement Class are: (a) persons who suffered no compensable losses; and (b) Defendants; the present and former officers, directors, or control persons of Cummins at all relevant times; their Immediate Family Members and their legal representatives, heirs, successors, predecessors, or assigns; present and former parents, subsidiaries, assigns, successors, and predecessors of Cummins; and any entity in which any of the persons excluded under this subsection (b) has or had a controlling or majority ownership interest at any time. Also excluded from the Settlement Class are those Persons who submit a valid and timely request for exclusion as described below in the response to Question 11.

7. I am still not sure whether I am included.

If you are still not sure whether you are included in the Settlement Class, you can ask for free help. For more information, you can contact the Claims Administrator, Strategic Claims Services, by phone at (866) 274-4004, by email at info@strategicclaims.net, or by facsimile at (610) 565-7985; visit the website

www.strategicclaims.net/Cummins/; or fill out and return the Claim Form described in Question 9, to see if you qualify.

8. What does the Settlement provide?

a. What is the Settlement Fund?

The proposed Settlement provides for Defendants and/or their insurers to pay one million six hundred thousand dollars (\$1,600,000.00) into a settlement fund (the “Settlement Fund”). The Settlement is subject to Court approval. Also, subject to the Court’s approval, a portion of the Settlement Fund will be used to pay attorneys’ fees with interest and reasonable litigation expenses to Lead Counsel, and any award to Lead Plaintiff. A portion of the Settlement Fund also will be used to pay taxes due on interest earned by the Settlement Fund, if necessary, and the costs of the claims administration, including the costs of printing and mailing and/or emailing notices and the costs of publishing notices. After the foregoing deductions from the Settlement Fund have been made, the amount remaining (the “Net Settlement Fund”) will be distributed to Settlement Class Members who submit timely, valid claims, according to the Plan of Allocation to be approved by the Court.

b. What can you expect to receive under the proposed Settlement?

Your share of the Net Settlement Fund will or may depend on: (i) the number of claims filed; (ii) the dates you purchased and sold Cummins common stock; (iii) the prices of your purchases and sales; (iv) the amount of administrative costs, including the costs of notice; and (v) the amount awarded by the Court to Lead Counsel for attorneys’ fees, costs, and expenses and award to Lead Plaintiff.

The Net Settlement Fund will be distributed to Settlement Class Members who submit a Claim Form and whose claims for recovery are allowed by the Claims Administrator (“Authorized Claimants”) pursuant to the terms of the Stipulation or by order of the Court in accordance with the proposed Plan of Allocation below. The proposed Plan of Allocation reflects Lead Plaintiff’s contention that because of the alleged misrepresentations made by Defendants, the price of Cummins common stock was artificially inflated during the Class Period, and that certain subsequent disclosures caused reductions in the inflated price of Cummins common stock. Defendants have denied and continue to deny these allegations and any and all allegations of wrongdoing, fault, liability, or damage whatsoever asserted in the Action.

PROPOSED PLAN OF ALLOCATION OF THE NET SETTLEMENT FUND

The Plan of Allocation is a matter separate and apart from the proposed Settlement, and any decision by the Court concerning the Plan of Allocation shall not affect the validity or finality of the proposed Settlement. The Court may approve the Plan of Allocation with or without modifications agreed to among the Parties, or another plan of allocation, without further notice to Settlement Class Members. Any orders regarding a modification of the Plan of Allocation will be posted to the Claims Administrator’s website, www.strategicclaims.net/Cummins/.

The Claims Administrator shall determine the *pro rata* share of the Net Settlement Fund of each Authorized Claimant based upon each Authorized Claimant’s Recognized Loss. **Please Note:** The Recognized Loss formula, set forth below, is not intended to be an estimate of the amount of what a Settlement Class Member might have been able to recover after a trial, nor is it an estimate of the amount that will be paid to Authorized Claimants pursuant to the Settlement. The Recognized Loss formula is the basis upon which the Net Settlement Fund will be proportionately allocated to the Authorized Claimants. To the extent there are sufficient funds in the Net Settlement Fund, each Authorized Claimant will receive an amount equal to the Authorized Claimant’s Recognized Loss and subject to the provisions in the following paragraphs. If, however, the amount in the Net Settlement Fund is not sufficient to permit payment of the total Recognized Loss of each Authorized Claimant, then each Authorized Claimant shall be paid the percentage of the Net Settlement Fund that each Authorized Claimant’s Recognized Loss bears to the total Recognized Losses of all Authorized Claimants and subject to the provisions in the following paragraphs (*i.e.*, “*pro rata* share”). Payment in this manner shall be deemed conclusive against all Authorized Claimants. No distribution will be made on a claim where the potential distribution amount is less than ten dollars (\$10.00) in cash.

If any funds remain in the Net Settlement Fund by reason of uncashed checks, or otherwise, after the Claims Administrator has made reasonable and diligent efforts to have Authorized Claimants who are entitled to participate in the distribution of the Net Settlement Fund cash their distribution checks, then any balance remaining in the Net Settlement Fund six (6) months after the initial distribution of such funds shall be used: (i) first, to pay any amounts mistakenly omitted from the initial distribution to Authorized Claimants; (ii) second, to pay any additional Notice and Administration Costs incurred in administering the Settlement; and (iii) finally, to make a second distribution to Authorized Claimants who cashed their checks from the initial distribution and who would receive at least \$10.00 from such second distribution, after payment of the estimated costs or fees to be incurred in administering the Net Settlement Fund and in making this second distribution, if such

second distribution is economically feasible. If six (6) months after such second distribution, if undertaken, or if such second distribution is not undertaken, any funds shall remain in the Net Settlement Fund after the Claims Administrator has made reasonable and diligent efforts to have Authorized Claimants who are entitled to participate in this Settlement cash their checks, any funds remaining in the Net Settlement Fund shall be donated to a non-profit charitable organization(s) selected by Lead Counsel.

THE BASIS FOR CALCULATING YOUR RECOGNIZED LOSS:

Each Authorized Claimant shall be allocated a *pro rata* share of the Net Settlement Fund based on his, her, or its Recognized Loss as compared to the total Recognized Losses of all Authorized Claimants. Recognized Losses will be calculated as follows:

For Cummins publicly-traded common stock purchased during the Class Period, the Recognized Loss shall be calculated as follows:

- A. For shares retained at the end of trading on March 20, 2024, the Recognized Loss shall be the *lesser* of:
 - (i) \$8.43 per share; or
 - (ii) the difference between the purchase price per share and \$252.77 per share¹.
- B. For shares sold on or before December 21, 2023, the Recognized Loss per share shall be \$0.00.
- C. For shares sold between December 22, 2023 and March 20, 2024, both dates inclusive, the Recognized Loss shall be the *lesser* of:
 - (i) \$8.43 per share; or
 - (ii) the difference between the purchase price per share and the average closing price per share as of date of sale provided in Table A below.

¹Pursuant to Section 21(D)(e)(1) of the Private Securities Litigation Reform Act of 1995, "in any private action arising under this title in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and the mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated." \$252.77 per share was the mean (average) daily closing trading price of the Company's common stock during the 90-day period beginning on December 22, 2023, through and including March 20, 2024.

To the extent a Claimant had a trading gain or “broke even” from his, her, or its overall transactions in Cummins common stock during the Class Period, the value of the Recognized Loss will be zero and the Claimant will not be entitled to a share of the Net Settlement Fund. To the extent that a Claimant suffered a trading loss on his, her, or its overall transactions in Cummins common stock during the Class Period, but that trading loss was less than the Recognized Loss calculated above, then the Recognized Loss shall be limited to the amount of the Claimant’s actual trading loss.²

For purposes of calculating your Recognized Loss, the date of purchase, acquisition, or sale is the “contract” or “trade” date and not the “settlement” or “payment” date. The receipt or grant by gift, inheritance, or operation of law of Cummins common stock shall not be deemed a purchase or acquisition of Cummins publicly-traded common stock for the calculation of an Authorized Claimant’s Recognized Loss. The covering purchase of a short sale is not an eligible purchase. Only purchases of Cummins publicly-traded common stock are eligible purchases (Cusip number: 231021106).

For purposes of calculating your Recognized Loss, all purchases, acquisitions, and sales shall be matched on a First In First Out (“FIFO”) basis in chronological order. Therefore, on the Proof of Claim and Release Form enclosed with this Notice, you must provide all of your purchases, acquisitions, and sales of Cummins common stock during the time period from February 11, 2019, through and including March 20, 2024.

Payment pursuant to the Plan of Allocation approved by the Court shall be conclusive against all Authorized Claimants. No person shall have any claim against Defendants, Defense Counsel, Lead Plaintiff, Lead Counsel, or the Claims Administrator or other agent designated by Lead Counsel based on the distributions made substantially in accordance with the Stipulation and the Settlement contained therein, the Plan of Allocation, or further orders of the Court. Each Claimant shall be deemed to have submitted to the jurisdiction of the Court with respect to the Claimant’s Proof of Claim and Release Form. All persons involved in the review, verification, calculation, tabulation, or any other aspect of the processing of the claims submitted in connection with the Settlement, or otherwise involved in the administration or taxation of the Settlement Fund or the Net Settlement Fund, shall be released and discharged from any and all claims arising out of such involvement, and all Settlement Class Members, whether or not they are to receive payment from the Net Settlement Fund, will be barred from making any further claim against the Net Settlement Fund beyond the amount allocated to them as provided in any distribution orders entered by the Court.

9. How can I get a payment?

To qualify for a payment, you must send in a form entitled “Proof of Claim and Release Form.” This Claim Form is attached to this Notice. You may also obtain a Claim Form at www.strategicclaims.net/Cummins/. Read the instructions carefully, fill out the form, and sign it in the location indicated. The Claim Form may be completed in two ways: (1) by completing and submitting it electronically at www.strategicclaims.net/Cummins/ **by 11:59 p.m. EST on April 23, 2026**; or (2) by mailing the claim form together with all documentation requested in the form, **postmarked no later than April 23, 2026**, to:

² In order to determine the Claimant’s overall trading loss, the Claims Administrator will calculate the total purchase cost of the Cummins common shares that the Claimant purchased during the Class Period, less the total amount received for any Cummins common shares that the Claimant sold between February 11, 2019 and March 20, 2024, both dates inclusive, and less the value of any Cummins common shares the Claimant held at the close of trading on March 20, 2024 (which will be calculated with a value of \$252.77 per share). Any common shares held at the beginning of the Class Period and sold during the Class Period are not included in the calculation of the overall trading loss.

The Claims Administrator will process your claim and determine whether you are an Authorized Claimant. Please contact the Claims Administrator if you disagree with any determinations made by the Claims Administrator regarding your Claim Form. If you are unsatisfied with the determinations, you may ask the Court, which retains jurisdiction over all Settlement Class Members and the claims-administration process, to decide the issue by submitting a written request.

10. What am I giving up by receiving a payment and staying in the Settlement Class?

Unless you exclude yourself from the Settlement Class by the April 23, 2026 deadline, you will remain a member of the Settlement Class, receive your share of the Net Settlement Fund if you are an Authorized Claimant and submitted a valid Claim Form, and will be bound by the release of claims against the Defendants and other Released Parties if the Settlement is approved. That means you and all other Settlement Class Members and each of their respective parent entities, associates, affiliates, subsidiaries, predecessors, successors, assigns, attorneys, immediate family members, heirs, representatives, administrators, executors, devisees, legatees, and estates will release (agreeing never to sue, continue to sue, or be part of any other lawsuit) Defendants and all Released Parties from any and all claims which arise out of, are based upon, or relate in any way to the purchase of Cummins common stock during the Class Period. It means that all of the Court's orders will apply to you and legally bind you. That means you will accept a share of the Net Settlement Fund as sole compensation for any losses you suffered in the purchase, sale, or ownership of Cummins common stock during the Class Period. The specific terms of the release are included in the Stipulation.

11. How do I get out of the Settlement?

If you do not want to receive a payment from this Settlement, and you want to keep any right you may have to sue or continue to sue Defendants or other Released Parties on your own, at your own expense, about the claims being released in this Settlement, then you must take steps to exclude yourself from the Settlement. To exclude yourself from the Settlement, you must mail a letter that (A) clearly indicates your name, address, phone number, and email contact information (if any) and states that you "request to be excluded from the Settlement Class in *Baker v. Cummins Inc., et al.*, Case No. 1:25-cv-00430-TWP-MKK (S.D. Ind.);" and (B) states the date, number of shares, and dollar amount of each purchase of publicly-traded Cummins common stock during the Class Period, any sale transactions during the Class Period, and the number of Cummins common stock held by you as of December 21, 2023. To be valid, such request for exclusion must be submitted with documentary proof: (i) of each purchase and, if applicable, sale transaction of Cummins common stock during the Class Period; and (ii) demonstrating your status as a beneficial owner of the Cummins common stock. Any such request for exclusion must be signed and submitted by you, as the beneficial owner, under penalty of perjury. You must mail your exclusion request, to be **received no later than April 23, 2026**, to the Claims Administrator at the following address:

Cummins Inc. Securities Litigation
c/o Strategic Claims Services
P.O. Box 230
600 N. Jackson St., Ste. 205
Media, PA 19063

You cannot exclude yourself by telephone or by email.

If you properly exclude yourself, you will *not* receive a payment from the Net Settlement Fund, you cannot object to the Settlement, and you will not be legally bound by the judgment in this case.

12. If I do not exclude myself, can I sue Defendants or the other Released Parties for the same thing later?

No. Unless you followed the procedure outlined in this Notice to exclude yourself, you give up any right to sue Defendants or the Released Parties for the claims being released in this Settlement. If you have a pending lawsuit

related to any Released Claims, speak to your lawyer in that case immediately, since you must exclude yourself from this Settlement Class to continue your own lawsuit.

13. Do I have a lawyer in this case?

The Court appointed The Rosen Law Firm, P.A. as Lead Counsel to represent you and the other Settlement Class Members. If you want to be represented by your own lawyer, you may hire one at your own expense. Contact information for The Rosen Law Firm, P.A. is provided below.

14. How will the lawyers be paid?

Lead Counsel have expended considerable time litigating this Action on a contingent fee basis and have paid for the expenses of the case themselves. They have not been paid attorneys' fees or reimbursed for their expenses in advance of this Settlement. Lead Counsel have done so with the expectation that, if they are successful in recovering money for the Settlement Class, they will receive attorneys' fees and be reimbursed for their litigation expenses from the Settlement Fund, as is customary in this type of litigation. Lead Counsel will not receive attorneys' fees or be reimbursed for their litigation expenses except from the Settlement Fund. Therefore, Lead Counsel will apply to the Court for an award of attorneys' fees in an amount not to exceed 30% of the Settlement Fund plus interest, reimbursement of litigation expenses of no more than \$95,000 and an award to Lead Plaintiff up to \$5,000. The Court may award less than these amounts. Any amounts awarded by the Court will come out of the Settlement Fund.

15. How do I tell the Court that I do not like the Settlement?

You can tell the Court you do not agree with the Settlement, any part of the Settlement, and/or to Lead Counsel's motion for attorneys' fees and expenses and application for an award to Lead Plaintiff, and/or that you think the Court should not approve the Settlement, by mailing a letter stating that you object to the Settlement in the matter of *Baker v. Cummins Inc., et al.*, Case No. 1:25-cv-00430-TWP-MKK (S.D. Ind.). Be sure to include: (1) your name, address, email contact information (if any), and telephone number; (2) a list of all purchases and sales of publicly-traded Cummins common stock during the Class Period (to demonstrate that you are a Settlement Class Member); (3) all grounds for the objection, including any legal support known to you or your counsel; (4) the name, address, email address, and telephone number of all counsel, if any, who represent you, including your former or current counsel; and (5) the number of times you and/or your counsel has filed an objection to a class action settlement in the last five years, the nature of each such objection in each case, the jurisdiction in each case, and the name of the issuer of the security or seller of the product or service at issue in each case. 16. What is the difference between objecting and requesting exclusion?

Objecting is simply telling the Court you do not like something about the Settlement or some portion thereof. You can object only if you stay in the Settlement Class. Requesting exclusion is telling the Court you do not want to be part of the Settlement Class and Settlement. If you exclude yourself, you cannot object to the Settlement because it no longer concerns you. If you stay in the Settlement Class and object, but your objection is overruled, you will not be allowed a second opportunity to exclude yourself.

17. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Settlement Fairness Hearing on **May 21, 2026, at 10:00 a.m.**, at the United States District Court for the Southern District of Indiana, 46 East Ohio Street, Courtroom 344, Indianapolis, IN 46204. The Court reserves the right to hold the Settlement Fairness Hearing telephonically or by other virtual means. In the event the Court decides to hold the Settlement Fairness Hearing telephonically or by other virtual means, Lead Counsel will direct the Claims Administrator to update its website, on the page dedicated to this Settlement, to include the telephone number or other virtual means to access the Settlement Fairness Hearing.

18. Do I have to come to the hearing?

No. Lead Counsel will answer any questions the Court may have. However, you are welcome to attend at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mail your written objection on time, the Court will consider it.

19. What happens if I do nothing at all?

If you do nothing, you will not receive a payment from the Settlement. However, unless you exclude yourself, you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against Defendants or the Released Parties about the Released Claims (as defined in the Stipulation) ever again.

SPECIAL NOTICE TO BROKERS AND OTHER NOMINEES

If, during the Class Period, you purchased publicly-traded Cummins common stock for the beneficial interest of a person or organization other than yourself, the Court has directed that, **WITHIN 10 DAYS OF YOUR RECEIPT OF THE CLAIMS ADMINISTRATOR'S LETTER**, you either: (a) provide to the Claims Administrator the name and email address of each person or organization for whom or which you purchased such Cummins common stock during such time period; or (b) request a link to the webpage hosting the Long Notice and Claim Form and email the link to the webpage hosting the Long Notice and Claim Form directly to each beneficial purchaser/owner for whom you are nominee or custodian within ten (10) days after receipt thereof. If you choose to follow alternative procedure (b), the Court has directed that, upon such emailing, you send a statement to the Claims Administrator confirming that the emailing was made as directed. You are entitled to reimbursement from the Settlement Fund of your reasonable out-of-pocket expenses actually incurred in connection with the foregoing, up to a maximum of \$0.02 per link to the webpage hosting the Long Notice and Claim Form emailed; or up to a maximum of \$0.02 per name and email address provided to the Claims Administrator. Those expenses will be paid upon request and submission of appropriate supporting documentation. All communications regarding the foregoing should be addressed to the Claims Administrator at the address listed on page 2 above.

6. I (we) understand that the information contained in this Claim Form is subject to such verification as the Claims Administrator may request or as the Court may direct, and I (we) agree to cooperate in any such verification. (The information requested herein is designed to provide the minimum amount of information necessary to process most simple claims.
