NOTICE OF PENDENCY AND PROPOSED SETTLEMENT OF CLASS ACTION

Please be advised that your rights may be affected by the above-captioned securities class action (the “Action”) pending in the United States District Court for the Southern District of New York (the “Court”) if you purchased or otherwise acquired SolarEdge Technologies, Inc. (“SolarEdge”) common stock during the period from February 13, 2023 through October 19, 2023, inclusive (the “Class Period”), and were allegedly damaged thereby (the “Settlement Class”).¹

A federal court authorized this Notice. This is not attorney advertising.

- Please be advised that the Court-appointed Lead Plaintiffs Mivtachim the Workers Social Insurance Fund Ltd., Keren Hgimlaot Hmerkazit Histadrut Central Pension Fund Ltd., Kerren Makefet Pension and Provident Center Cooperative Society Ltd., the Hadassah Workers Pension Fund Ltd., and Hachshara Insurance Company Ltd. (“Lead Plaintiffs”), and Named Plaintiff Javier Alcides Cascallar (together with Lead Plaintiffs, “Plaintiffs”), on behalf of themselves and the Settlement Class, have reached a proposed settlement of the Action for fifty-five million dollars (\$55,000,000.00) (the “Settlement Amount”) in cash that, if approved, will resolve all claims in the Action (the “Settlement”).
- The Court will hold a Settlement Hearing on August 24, 2026 at 2:30 p.m. to decide whether to approve the Settlement. If approved by the Court, the Settlement will provide for the payment of the Settlement Amount, plus interest as it accrues, minus attorneys’ fees to Lead Counsel, Litigation Expenses, compensatory awards to Plaintiffs, Notice and Administration Expenses, and Taxes on interest, to persons and entities who purchased SolarEdge common stock during the Class Period, and who submit an eligible Proof of Claim and Release Form (“Claim Form”).
- The Settlement represents an estimated average recovery of \$2.06 per share for the approximately 26.7 million shares of publicly-traded SolarEdge common stock damaged during the Class Period. This is not an estimate of the actual recovery per share you should expect. Your actual recovery, if any, will depend on the aggregate losses of all Settlement Class Members, the date(s) you purchased and sold SolarEdge common stock, the purchase and sales prices, and the total number and amount of claims filed.
- Attorneys for Plaintiffs and the Settlement Class, Pomerantz LLP (“Lead Counsel”), intend to ask the Court to award them fees of up to 25% of the Settlement Amount, plus interest, payment of up to \$750,000 in Litigation Expenses and up to \$230,000, in total in compensatory awards to Plaintiffs, awarded by the Court, pursuant to the Private Securities Litigation Reform Act of 1995 (“PSLRA”), plus interest, and up to \$500,000 in Notice and Administration Expenses. Since the Action’s inception, Lead Counsel have expended considerable time and effort in this case on a contingent-fee basis and have advanced the expenses of the Action with the expectation that if they were successful in obtaining a recovery for the Settlement Class, they would be paid from such recovery. Collectively, the requested attorneys’ fees to Lead Counsel, Litigation Expenses, and Notice and Administration Expenses are estimated to average approximately \$0.57 per share. If approved by the Court, these amounts will be paid from the Settlement Fund (defined below).

¹ All capitalized terms used in this Notice that are not otherwise defined herein shall have the same meanings as set forth in the Stipulation and Agreement of Settlement, dated April 21, 2026 (the “Stipulation”), available at www.SolarEdgeSecuritiesLitigation.com.

- The estimated average net recoveries, after the deductions set forth in the preceding paragraph, are approximately \$1.49 per share. These estimates are based on the assumptions set forth in the preceding paragraphs. Your actual recovery, if any, will depend on, among other things, when your shares were purchased or otherwise acquired and the price at the time of purchase or acquisition; whether the shares were sold and, if so, when they were sold and for how much; and the aggregate value of the Recognized Losses (defined in the proposed Plan of Allocation) represented by valid and acceptable Claim Forms.
- The Settlement resolves the Action and the claims that SolarEdge its former executives and officers Zvi Lando (“Lando”), Ronen Faier (“Faier”), Lior Danziger (“Danziger”), and J.B. Lowe (“Lowe”) (together, the “Individual Defendants,” and collectively with SolarEdge, the “Defendants”) violated federal securities laws by allegedly making misrepresentations and/or omissions of material fact in public statements to the investing public concerning, *inter alia*, channel inventory levels of SolarEdge’s products and demand for those products in Europe, causing damage to Settlement Class Members. Defendants deny any wrongdoing. Defendants have entered into the Stipulation with Plaintiffs (collectively, the “Parties”). Defendants have denied and continue to deny each, any, and all allegations of wrongdoing, fault, liability, or damage whatsoever asserted by Plaintiffs. Defendants have also denied, *inter alia*, the allegations that Plaintiffs or the Settlement Class have suffered damages or that Plaintiffs or the Settlement Class were harmed by the conduct alleged in the Action. Defendants continue to believe the claims asserted against them in the Action are without merit.
- The Parties disagree on how much money, if any, could have been won if Plaintiffs prevailed on any of their claims.
- For Plaintiffs, the principal reason for the Settlement is the guaranteed cash benefit to the Settlement Class. This benefit must be compared to the costs and delay associated with completing discovery, the risk that the Court may refuse to certify a class and/or grant anticipated motions for summary judgment filed by Defendants, in whole or in part, the risks involved in proving the allegations, the uncertainty of a greater recovery after a trial and appeals, and the difficulties and delays inherent in such litigation. For Defendants, who deny all allegations of wrongdoing or liability whatsoever and deny that the Settlement Class Members were damaged, the reasons for entering into the Settlement are to end the burden, expense, uncertainty, and risk of further litigation.
- If you are a Settlement Class Member, your legal rights will be affected whether you act or do not act. If you do not act, you may permanently forfeit your right to recover on these claims. Therefore, you should read this Notice carefully.

BASIC INFORMATION CONCERNING THE SETTLEMENT

1. Why did I receive notice of the Settlement?

You or someone in your family may have purchased or otherwise acquired SolarEdge common stock during the period from February 13, 2023 to October 19, 2023, both dates inclusive.

RECEIPT OF THIS NOTICE DOES NOT MEAN THAT YOU ARE A SETTLEMENT CLASS MEMBER OR THAT YOU WILL BE ENTITLED TO RECEIVE A PAYMENT. The Parties do not have access to your individual investment information. If you wish to be eligible for a payment, you are required to submit the Claim Form that is being distributed with this Notice. See Question 10 below.

2. What is this case about?

This Settlement resolves the case known as *In re SolarEdge Technologies, Inc. Securities Litigation*, Case No. 1:23-cv-09748-GHW-OTW (S.D.N.Y.). The Court in charge of the case is the United States District Court for the Southern District of New York. The Action involves allegations that Defendants violated provisions of the Securities Exchange Act of 1934 (“Exchange Act”). The operative Second Amended Class Action Complaint (the “Complaint”) alleges that Defendants made material misrepresentations and/or omissions to the public about channel inventory levels of SolarEdge’s products and demand for those products in Europe, causing damage to Settlement Class Members. Defendants deny any wrongdoing. The Complaint alleges that SolarEdge’s common stock price was artificially inflated and when the true facts were revealed, the artificial inflation was removed from the price of SolarEdge’s common stock, causing the price to drop and damaging Settlement Class Members.

On April 6, 2025, the Court denied Defendants’ motion to dismiss the Complaint in part. Specifically, the Court found that Plaintiffs sufficiently alleged that Defendants’ statements contained certain misrepresentations and/or omissions of material fact about channel inventory levels of SolarEdge’s products and demand for those products in Europe, causing damage to Settlement Class Members. Defendants deny any wrongdoing. The Court did not finally decide the Action in favor of Plaintiffs or Defendants and there has been no trial. Instead, both sides agreed to a settlement.

Defendants have denied and continue to deny each, any, and all allegations of wrongdoing, fault, liability, or damage whatsoever asserted in the Action and maintain that SolarEdge’s disclosures were true and correct in all material respects. The Settlement shall not be construed as, or deemed to be evidence of, liability, fault, wrongdoing, injury, or damages, or of any wrongful conduct, acts, or omissions on the part of Defendants or any of the Defendants’ Releasees, or of any infirmity of any defense, or of any damages to the Plaintiffs or any other Settlement Class Member. The Settlement resolves all of the claims in the Action, as well as certain other related claims or potential claims, whether known or unknown.

3. Why is this a class action?

In a class action, one or more persons called plaintiffs sue on behalf of all persons who have similar claims. All of the persons with similar claims are referred to as a class. One court resolves the issues for all class members, except for those who exclude themselves from the class.

4. Why is there a settlement?

Plaintiffs and Defendants do not agree about the merits of Plaintiffs’ allegations and Defendants’ defenses with respect to liability or the average amount of damages per share, if any, that would be recoverable if Plaintiffs were to prevail at trial on any of their claims. The issues on which Plaintiffs and the Defendants disagree include: (1) whether Defendants made any allegedly materially false or misleading statements; (2) whether Defendants acted knowingly or grossly recklessly in making any alleged misrepresentation or omission; (3) whether alleged disclosures corrected the alleged misrepresentations or omissions; (4) the causes of the loss in the value of SolarEdge common stock; and (5) the amount of alleged damages, if any, that could be recovered at trial.

This matter has not gone to trial, and the Court has not decided in favor of either Plaintiffs or Defendants. Instead, Plaintiffs and Defendants have agreed to settle the Action. Plaintiffs and Lead Counsel believe the Settlement is best for all Settlement Class Members because of the risks associated with continued litigation and the nature of the defenses raised by Defendants. Among the reasons that Plaintiffs and Lead Counsel believe the Settlement is fair is the fact that there is uncertainty about whether they would have been able to prove that any challenged statement was false or misleading, that Defendants acted with the necessary level of scienter, that any disclosure corrected the alleged misrepresentations or omissions, that the alleged misstatements and omissions actually caused the Settlement Class any damages, and the amount of damages, if any.

Moreover, in addition to litigation of this type usually being expensive, it appears that, even if Plaintiffs' allegations were found to be true, the total amount of damages to which class members might have been entitled could have been substantially reduced. For the avoidance of doubt, Defendants believe that Plaintiffs' allegations and claims are without merit, maintain that SolarEdge's disclosures were true and correct in all material respects, and maintain that they have agreed to resolve this case to avoid the burden, expense, uncertainty, and risk of further litigation.

WHO IS IN THE SETTLEMENT

To see if you will get money from this Settlement, you first have to determine if you are a Settlement Class Member.

5. How do I know if I am part of the Settlement Class?

Check your investment records or contact your stockbroker to see if you have any eligible securities transactions. The Parties do not independently have access to your trading information.

6. Are there exceptions to being included in the Settlement Class?

Yes. Excluded from the Settlement Class are: Defendants, Immediate Family Members of the Individual Defendants, any person who is, or was during the Class Period, an officer or director of SolarEdge and any of their Immediate Family Members, any affiliates or subsidiaries of SolarEdge, any entity in which Defendants have or had a controlling interest, and the legal representatives, heirs, agents, affiliates, successors or assigns of any such excluded persons or entities, and any Persons who submit valid and timely a request for exclusion as described below in the response to Question 13.

7. What if I am still not sure if I am included?

THE SETTLEMENT BENEFITS – WHAT YOU GET

8. What does the Settlement provide?

The proposed Settlement provides for Defendants to pay, or cause the payment of, \$55,000,000 into a settlement fund, which may accrue interest (the "Settlement Fund"). The Settlement is subject to Court approval. Also, subject to the Court's approval, a portion of the Settlement Fund will be used to pay attorneys' fees and reasonable Litigation Expenses to Lead Counsel, with interest, and compensatory awards to Plaintiffs. A portion of the Settlement Fund also will be used to pay Taxes due on interest earned by the Settlement Fund, if necessary, and the costs of the claims administration, including the costs of printing and mailing the Postcard Notice, the costs of publishing notice, and the costs of processing claims. After the foregoing deductions from the Settlement Fund have been made, the amount remaining (the "Net Settlement Fund") will be distributed to Settlement Class Members who submit timely, valid claims, according to the Plan of Allocation to be approved by the Court ("Authorized Claimants").

9. How much will my payment be?

Your share of the Net Settlement Fund will depend on several factors, including: (i) when you purchased or otherwise acquired SolarEdge common stock during the Class Period, and the price at the time of purchase or acquisition; (ii) whether you sold SolarEdge common stock and, if so, when and for how much; (iii) the Recognized Losses (defined in the proposed Plan of Allocation) of timely and valid claims submitted by other Settlement Class Members; (iv) the amount of administrative costs, including the costs of notice; and (v) the amount awarded by the Court to Lead Counsel for attorneys' fees and expenses, and compensatory awards to Plaintiffs.

The Claims Administrator will determine each Authorized Claimant's *pro rata* share of the Net Settlement Fund based upon each Authorized Claimant's Recognized Losses calculated pursuant to the allocation formulas set forth in the Plan of Allocation approved by the Court. The allocation formulas are the basis upon which the Net Settlement Fund will be proportionately allocated to Settlement Class Members with valid claims. The allocation formulas are not intended to estimate the amount that a Settlement Class Member might have been able to recover after a trial; they also are not an estimate of the amount that will be paid to Settlement Class Members pursuant to the Settlement.

It is unlikely that you will get a payment for all of your Recognized Losses. After all Settlement Class Members have sent in their Claim Forms, the payment you get will be a share of the Net Settlement Fund equal to your Recognized Losses divided by the total Recognized Losses of all Authorized Claimants, multiplied by the amount of the Net Settlement Fund.

PLAN OF ALLOCATION OF NET SETTLEMENT FUND AMONG CLASS MEMBERS

The objective of the Plan of Allocation is to equitably distribute the Net Settlement Fund among Authorized Claimants based on their respective alleged economic losses as a result of the alleged fraud, as opposed to losses caused by market- or industry-wide factors or company-specific factors unrelated to the alleged fraud. The Claims Administrator shall determine each Authorized Claimant's share of the Net Settlement Fund based upon the recognized loss formula (the "Recognized Loss") described below.

A Recognized Loss will be calculated for each eligible share of SolarEdge common stock purchased or otherwise acquired during the Settlement Class Period.² The calculation of Recognized Loss will depend upon several factors, including when shares of SolarEdge common stock were purchased or otherwise acquired during the Settlement Class Period, the price paid, whether those shares were sold, and, if sold, when they were sold and for what amounts. The Recognized Loss is not intended to estimate the amount a Settlement Class Member might have recovered after a trial, nor the amount that will be paid to Authorized Claimants pursuant to the Settlement. Rather, the Recognized Loss is the basis upon which the Net Settlement Fund will be proportionately allocated to the Authorized Claimants. The Claims Administrator will use reasonable efforts to administer and distribute the Net Settlement Fund in a manner that is both equitable and economically feasible.

The Plan of Allocation was developed with the assistance of a consulting damages expert and is based on the assumption that the price of SolarEdge common stock was artificially inflated throughout the Settlement Class Period. The estimated amount of alleged artificial inflation during the Settlement Class Period is set forth in Table 1 below. The calculation of the alleged artificial inflation in the price of SolarEdge common stock during the Settlement Class Period is based on certain misrepresentations alleged by Plaintiffs and on stock price declines, net of market- and industry-wide factors, that occurred in reaction to the public announcements that allegedly corrected those misrepresentations.

Under the U.S. federal securities laws, investors may recover only for losses attributable to disclosures that corrected defendants' prior false or misleading statements or omissions. Lead Plaintiffs and Counsel for Plaintiffs have determined that the alleged truth underlying Defendants' alleged misrepresentations first entered the market after the close of trading on August 1, 2023. The Recognized Loss formula is also based on the assumption that the decline in the price of SolarEdge common stock from August 2, 2023 through October 20, 2023, inclusive, was attributable to corrective information entering the market (the "Corrective Disclosure Period"). Accordingly, to be eligible for a recovery under the Plan of Allocation, a Claimant must have purchased or otherwise acquired shares of SolarEdge common stock during the Settlement Class Period and either sold those shares during the Corrective Disclosure Period or held them through the end of the Corrective Disclosure Period.

The "90-day look back" provision of the Private Securities Litigation Reform Act of 1995 ("PSLRA") is incorporated into the calculation of the Recognized Loss for SolarEdge common stock. The limitations on the calculation of the Recognized Loss imposed by the PSLRA are applied such that losses on SolarEdge common stock purchased during the Settlement Class Period and held as of the close of the 90-day period subsequent to the Settlement Class Period (the "90-Day Lookback Period") cannot exceed the difference between the purchase price paid for such stock and its average closing price during the 90-Day Lookback Period. The Recognized Loss on SolarEdge common stock purchased during the Settlement Class Period and sold during the 90-Day Lookback Period cannot exceed the difference between the purchase price paid for such stock and its average closing price during the portion of the 90-Day Lookback Period elapsed as of the date of sale.

² During the Settlement Class Period, SolarEdge common stock traded on the NASDAQ Global Select Market under the ticker symbol "SEDG."

In the calculations below, all purchase and sale prices shall exclude any fees, taxes and commissions. If a Recognized Loss amount is calculated to be a negative number, that Recognized Loss shall be set to zero. Any transactions in SolarEdge common stock executed outside of regular trading hours for the U.S. financial markets shall be deemed to have occurred during the next regular trading session.

Calculation of Recognized Loss Per Share of SolarEdge Common Stock

For each share of SolarEdge common stock purchased or otherwise acquired during the Settlement Class Period (i.e., February 13, 2023 through October 19, 2023, inclusive), the Recognized Loss shall be calculated as follows:

- i. For each share of SolarEdge common stock purchased during the Settlement Class Period that was subsequently sold prior to August 2, 2023, the Recognized Loss is \$0.
- ii. For each share of SolarEdge common stock purchased during the Settlement Class Period that was subsequently sold during the period August 2, 2023 through October 19, 2023, inclusive, the Recognized Loss is the amount of per-share price inflation on the date of purchase as set forth in Table 1 below *minus* the amount of per-share price inflation on the date of sale as set forth in Table 1 below.
- iii. For each share of SolarEdge common stock purchased during the Settlement Class Period that was subsequently sold during the period October 20, 2023 through January 17, 2024, inclusive (i.e., the 90-Day Lookback Period), the Recognized Loss is *the lesser of*:
 - a. the amount of per-share price inflation on the date of purchase as set forth in Table 1 below; or
 - b. the purchase price *minus* the “90-Day Lookback Value” on the date of sale as set forth in Table 2 below.
- iv. For each share of SolarEdge common stock purchased during the Settlement Class Period and still held as of the close of trading on January 17, 2024, the Recognized Loss is *the lesser of*:
 - a. the amount of per-share price inflation on the date of purchase as set forth in Table 1 below; or
 - b. the purchase price *minus* the average closing price for SolarEdge common stock during the 90-Day Lookback Period, which is \$81.62.

INSTRUCTIONS APPLICABLE TO ALL CLAIMANTS

The payment you receive will reflect your proportionate share of the Net Settlement Fund. Such payment will depend on the number of eligible shares that participate in the Settlement, and when those shares were purchased and sold. The number of claimants who send in claims varies widely from case to case.

A purchase or sale of SolarEdge common stock shall be deemed to have occurred on the “contract” or “trade” date, as opposed to the “settlement” or “payment” date.

Acquisition by Gift, Inheritance, or Operation of Law: If a Settlement Class Member acquired SolarEdge common stock during the Settlement Class Period by way of gift, inheritance, or operation of law, such a claim will be computed by using the date and price of the original purchase and not the date and price of transfer. To the extent that SolarEdge shares were originally purchased prior to the commencement of the Settlement Class Period, the Recognized Loss for that acquisition shall be deemed to be zero (\$0.00).

The first-in-first-out (“FIFO”) method will be applied to match purchases and sales. Sales will be matched in chronological order, by trade date, first against SolarEdge common stock held as of the close of trading on February 12, 2023 (the last trading day before the Settlement Class Period begins) and then against purchases of SolarEdge common stock during the Settlement Class Period.

The date of covering a “short sale” is deemed to be the date of purchase of shares. The date of a “short sale” is deemed to be the date of sale of shares. In accordance with the Plan of Allocation, however, the Recognized Loss on “short sales” is zero. In the event that a claimant has a short position in SolarEdge common stock, the earliest subsequent Settlement Class Period purchases shall be matched against such short position and shall not be entitled to a recovery until that short position is fully covered.

With respect to SolarEdge common stock purchased or sold through the exercise of a publicly traded option, the purchase/sale date of the stock shall be the exercise date of the option and the purchase/sale price of the stock shall be the exercise

price. Any Recognized Loss arising from purchases of SolarEdge common stock acquired during the Settlement Class Period through the exercise of a publicly traded option on SolarEdge common stock shall be computed as provided for other purchases of SolarEdge common stock in the Plan of Allocation.³

Notwithstanding any of the foregoing, shares of SolarEdge common stock acquired through the exercise, conversion, or exchange of non-publicly traded securities (including, without limitation, options, warrants, convertible notes, or restricted stock units) are not eligible for recovery under the Settlement. Likewise, the receipt of SolarEdge common stock during the Settlement Class Period in exchange for securities of any corporation or entity other than SolarEdge, or through a merger, acquisition, or sale of any corporation or entity, shall not be deemed a purchase or sale of SolarEdge common stock for purposes of the Settlement, and such shares shall be ineligible for recovery.

Payment according to the Plan of Allocation will be deemed conclusive against all Authorized Claimants. A Recognized Loss will be calculated as defined herein and shall not be less than zero. The Claims Administrator shall allocate to each Authorized Claimant a *pro rata* share of the Net Settlement Fund based on his, her, or its total Recognized Loss as compared to the total Recognized Losses of all Authorized Claimants. No distribution will be made to Authorized Claimants who would otherwise receive a distribution of less than \$10.00.

Settlement Class Members who do not submit an acceptable Proof of Claim and Release Form, with appropriate supporting documentation, will not share in the Settlement proceeds. The Settlement and the Final Order and Judgment dismissing this Action with prejudice will nevertheless bind Settlement Class Members who do not submit a request for exclusion and/or submit an acceptable Proof of Claim and Release Form.

Please contact the Claims Administrator or Counsel for Plaintiffs if you disagree with any determinations made by the Claims Administrator regarding your Proof of Claim and Release Form. If you are unsatisfied with the determinations, you may ask the Court, which retains jurisdiction over all Class Members and the claims administration process, to decide the issue by submitting a written request.

Defendants, their respective counsel, and all other Released Parties will have no responsibility or liability whatsoever for the processing of Proof of Claim and Release Forms, the investment of the Settlement Fund, the distribution of the Net Settlement Fund, the Plan of Allocation, or the payment of any claim. Lead Plaintiffs and Counsel for Plaintiffs, likewise, will have no liability for their reasonable efforts to execute, administer, and distribute the Settlement.

Distributions will be made to Authorized Claimants after all claims have been processed and after the Court has finally approved the Settlement. If any funds remain in the Net Settlement Fund by reason of uncashed distribution checks or otherwise, then, after the Claims Administrator has made reasonable and diligent efforts to have Class Members who are entitled to participate in the distribution of the Net Settlement Fund cash their distributions, any balance remaining in the Net Settlement Fund after at least six (6) months after the initial distribution of such funds will be used in the following fashion: (a) first, to pay any amounts mistakenly omitted from the initial disbursement; (b) second, to pay any additional settlement administration fees, costs, and expenses, including those of Lead Counsel or the Claims Administrator, as may be approved by the Court; and (c) finally, to make a second distribution to claimants who cashed their checks from the initial distribution and who would receive at least \$10.00, after payment of the estimated costs, expenses, or fees to be incurred in administering the Net Settlement Fund and in making this second distribution, if such second distribution is economically feasible. These redistributions shall be repeated, if economically feasible, until the balance remaining in the Net Settlement Fund is *de minimis* and such remaining balance will then be distributed pursuant to a method approved by the Court.

HOW YOU GET A PAYMENT—SUBMITTING A CLAIM FORM

10. How can I get a payment?

To qualify for a payment, you must submit a Claim Form. The Claims Administrator will process your claim and determine whether you are an Authorized Claimant.

A Claim Form is enclosed with this Notice and may also be downloaded at or submitted online using the website claim portal. Read the instructions carefully, fill out the form, and sign it in the location indicated. The Claim Form may be completed in two

³ The “exercise of an option” as used in this sentence includes: (1) purchases of SolarEdge common stock as the result of the exercise of a call option, and (2) purchases of SolarEdge common stock by the seller of a put option as a result of the buyer of such put option exercising that put option.

11. When would I get my payment?

The Court will hold a Settlement Hearing on August 24, 2026 at 2:30 p.m. ET to decide whether to approve the Settlement. If the Court approves the Settlement, there might be appeals afterwards. It is always uncertain whether these appeals can be resolved, and resolving them can take time, perhaps more than a year. It also takes time for all the Claim Forms to be processed. Please be patient.

12. What am I giving up to get a payment or to stay in the Settlement Class?

If you are a Settlement Class Member, **unless you exclude yourself from the Settlement Class by the August 3, 2026 deadline**, you will remain a Settlement Class Member and will be bound by the release of claims against Defendants and other Defendants' Releasees if the Settlement is approved. It also means you will be bound by any orders issued by the Court. If the Settlement is approved, the Court will enter a judgment. The Judgment will dismiss with prejudice the claims against the Defendants' Releasees and will provide that, upon the Effective Date of the Settlement, Plaintiffs and each and every other Settlement Class Member, on behalf of themselves and each of their respective heirs, executors, trustees, administrators, predecessors, successors, and assigns, in their capacities as such, shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever compromised, settled, released, resolved, relinquished, waived, discharged, and dismissed with prejudice each and every one of the Released Plaintiffs' Claims against each and every one of the Defendants' Releasees and shall forever be barred and enjoined from commencing, instituting, prosecuting, or maintaining any and all of the Released Plaintiffs' Claims against any and all of the Defendants' Releasees, whether or not such Settlement Class Member executes and delivers a Claim Form or shares in the Net Settlement Fund. Claims to enforce the terms of the Stipulation are not released. You will accept a share of the Net Settlement Fund as sole compensation for any losses you allegedly suffered as a result of your purchase or acquisition of SolarEdge common stock during the Class Period. Additional specific terms of the release are included in the Stipulation available at www.SolarEdgeSecuritiesLitigation.com.

"Released Parties" means the Defendant Releasees and the Released Plaintiff Parties.

"Released Plaintiffs' Claims" means any and all claims, demands, losses, rights, liabilities, obligations, damages, issues, and causes of action of every nature and description, whether known or unknown, contingent or absolute, mature or not mature, liquidated or unliquidated, accrued or not accrued, concealed or hidden, regardless of legal or equitable theory and whether arising under federal, state, common, or foreign law, or any other law, rule, or regulation, at law or in equity, that Plaintiffs or any other member of the Settlement Class: (a) asserted in the Action; or (b) could have asserted in the Action or any forum that arise out of, are based upon, or relate in any way to, both (i) the allegations, transactions, facts, matters or occurrences, representations or omissions involved, set forth, or referred to in the Action, or (ii) the purchase, acquisition, transfer, or sale of SolarEdge securities during the Settlement Class Period (the "Release"). Released Plaintiffs' Claims shall include a waiver of any rights under California Civil Code § 1542 and other similar applicable state statutes. Released Plaintiffs' Claims shall not include (a) claims to enforce the Settlement; (b) any claims by persons or entities who or which submit a request for exclusion that is accepted by the Court; or (c) claims brought in the following actions: *Maddox v. Lando, et al.*, No. 1:25-cv-04289-LAP (S.D.N.Y.); *Chauncey v. SolarEdge Technologies, Inc.*, No. 2025-0993 (Del. Ch.); *Isaac v. Atkins & SolarEdge Technologies, Inc.*, No. 1:24-920-CFC (D. Del); *In re SolarEdge Technologies, Inc. Derivative Litigation*, No. 1:24-cv-01948-JPO (S.D.N.Y.).

"Released Defendants' Claims" means all claims and causes of action of every nature and description, whether known or unknown, whether arising under federal, state, common, or foreign law, that arise out of or relate in any way to the institution, prosecution, or settlement of the claims against Defendants, except for claims relating to the enforcement or effect of the Settlement or any claims against any person who submits a request for exclusion that is accepted by the Court.

"Unknown Claims" means any and all Released Plaintiffs' Claims that Plaintiffs or any other Settlement Class Member do not know or suspect to exist in his, her, or its favor at the time of the release of the Defendant Releasees, and any and all Released Defendants' Claims that any Defendant does not know or suspect to exist in his, her, or its favor at the time of the release of the

Released Plaintiff Parties, which if known by him, her, or it might have affected his, her, or its decision(s) with respect to the Settlement, including the decision to object to the terms of the Settlement or to exclude himself, herself, or itself from the Settlement Class. With respect to any and all Released Claims, the Parties stipulate and agree that, upon the Effective Date, the Parties shall expressly, and each Settlement Class Member shall be deemed to have, and by operation of the Judgment shall have, to the fullest extent permitted by law, expressly waived and relinquished any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or foreign law, or principle of common law, which is similar, comparable, or equivalent to Cal. Civ. Code § 1542, which provides:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

Plaintiffs, other Settlement Class Members, or Defendants may hereafter discover facts, legal theories, or authorities in addition to, or different from, those which any of them now knows or believes to be true with respect to the Action, the Released Claims, but the Parties shall expressly, fully, finally, and forever settle and release, and each Settlement Class Member shall be deemed to have fully, finally, and forever settled and released, and upon the Effective Date and by operation of the Judgment shall have settled and released, fully, finally, and forever, any and all Released Claims, as applicable, without regard to the subsequent discovery or existence of such different or additional facts, legal theories, or authorities. The Parties expressly acknowledge, and other Settlement Class Members by operation of law shall be deemed to have acknowledged, that the inclusion of “Unknown Claims” in the definition of Released Claims was separately bargained for and was a material element of the Settlement.

EXCLUDING YOURSELF FROM THE SETTLEMENT CLASS

If you do not want a payment from this Settlement, and you want to keep any right you may have to sue or continue to sue Defendants and the other Defendants’ Releasees on your own about the claims being released in this Settlement, then you must take steps to remove yourself from the Settlement Class. This is called excluding yourself, or “opting out,” from the Settlement Class. Defendants can terminate the Settlement if a certain amount of exclusion requests are received.

13. How do I get out of the proposed Settlement?

If you do not want to receive a payment from this Settlement, and you want to keep any right you may have to sue or continue to sue Defendants or other Defendants’ Releasees on your own, at your own expense, about the claims being released in this Settlement, then you must take steps to exclude yourself from the Settlement. To exclude yourself from the Settlement, you must mail a letter that (A) clearly indicates your name, address, phone number and e-mail contact information (if any) and states that you “request to be excluded from the Settlement Class in *In re SolarEdge Technologies, Inc. Securities Litigation*, Case No. 1:23-cv-09748-GHW-OTW (S.D.N.Y.)”; and (B) states the number of shares of publicly-traded SolarEdge common stock you (i) owned as of the opening of trading on February 13, 2023, (ii) purchased and/or sold during the Class Period, including the number of shares, dates, and prices for each transaction, and (iii) held as of the close of trading on October 19, 2023.

To be valid, such request for exclusion must be submitted with documentary proof: (i) of each purchase and, if applicable, sale transaction of publicly-traded SolarEdge common stock during the Class Period; and (ii) demonstrating your status as a beneficial owner of the SolarEdge common stock. Any such request for exclusion must be signed and submitted by you, as the beneficial owner, under penalty of perjury. You must mail your exclusion request so that it is **received no later than August 3, 2026 at:**

SolarEdge Technologies, Inc. Securities Litigation
c/o Claims Administrator
1650 Arch Street, Suite 2210
Philadelphia, PA 19103
Telephone: 1-855-314-4305

You cannot exclude yourself by telephone or by email. If you properly exclude yourself, you will not receive a payment from the Net Settlement Fund, you cannot object to the Settlement, and you will not be legally bound by any orders or the Judgment in this case.

14. If I do not exclude myself, can I sue the Defendants or the other Defendants’ Releasees for the same thing later?

No. Unless you exclude yourself by following the instructions above, you give up any rights to sue Defendants or the other Defendants’ Releasees for the claims being released in this Settlement. If you have a pending lawsuit against the Defendants’ Releasees or related to any Released Plaintiffs’ Claims, speak to your lawyer in that case immediately, since you must exclude yourself from this Settlement Class to continue your own lawsuit. Remember, the exclusion deadline is **August 3, 2026.**

Email info@SolarEdgeSecuritiesLitigation.com or call 1-855-314-4305

15. If I exclude myself, can I get money from the proposed Settlement?

No. If you exclude yourself, you may not send in a Claim Form to ask for any money.

THE LAWYERS REPRESENTING YOU

16. Do I have a lawyer in this case?

The Court appointed Pomerantz LLP as Lead Counsel to the Settlement Class to represent you and the other Settlement Class Members. If you want to be represented by your own lawyer, you may hire one at your own expense and they may file a notice of appearance in the Action. Contact information for Lead Counsel is provided above.

17. How will the lawyers be paid?

Lead Counsel have expended considerable time litigating this Action on a contingent-fee basis and have paid for the expenses of the case themselves. They have not been paid attorneys' fees or for their expenses in advance of this Settlement. Court-appointed Lead Counsel will apply to the Court for an award of attorneys' fees in an amount not to exceed 25% of the Settlement Fund (\$13,750,000), plus interest. In addition, Lead Counsel will apply for reimbursement of Litigation Expenses paid or incurred in connection with the institution, prosecution and resolution of the claims against Defendants, in an amount not to exceed \$750,000, plus interest; compensatory awards to Plaintiffs of no more than \$230,000, in total, for reimbursement of the reasonable costs and expenses incurred by Plaintiffs directly related to their representation of the Settlement Class, and up to \$500,000 in Notice and Administration Expenses. The Court may award less than these amounts. Any amounts awarded by the Court will come out of the Settlement Fund.

OBJECTING TO THE SETTLEMENT AND RELATED MATTERS

18. How do I tell the Court that I object to the proposed Settlement, the Fee and Expense Application, and/or the Plan of Allocation?

If you are a Settlement Class Member, you can tell the Court you do not agree with the proposed Settlement, any part of the Settlement, the proposed Plan of Allocation, and/or Lead Counsel's motion for attorneys' fees and expenses and application for compensatory awards to Plaintiffs. You can write to the Court setting out your objection. The Court will consider your views.

To object, you must send a signed letter saying that you object to the proposed Settlement, Plan of Allocation, and/or application for attorneys' fees and Litigation Expenses and plaintiff awards in "*In re SolarEdge Technologies, Inc. Securities Litigation*, Case No. 1:23-cv-09748-GHW-OTW (S.D.N.Y.)." You must include: (1) your name, address, telephone number, email address, and your signature; (2) a list of all purchases and sales of SolarEdge common stock during the Class Period in order to show membership in the Settlement Class; (3) all grounds for the objection, including any legal support known to you or your counsel; (4) the name, address, and telephone number of all counsel, if any, who represent you, including your former or current counsel who may be entitled to compensation in connection with the objection; and (5) the number of times you and/or your counsel has filed an objection to a class action settlement in the last five years, the nature of each such objection in each case, the jurisdiction in each case, and the name of the issuer of the security or seller of the product or service at issue in each case. Attendance at the Settlement Hearing is not necessary. Objectors wishing to be heard orally at the Settlement Hearing are required to indicate in their written objection (or in a separate writing that is submitted in accordance with the deadline and after instruction pertinent to the submission of a written objection) that they intend to appear at the Settlement Hearing and identify any witnesses they may call to testify or exhibits they intend to introduce into evidence at the Settlement Hearing. Be sure to serve copies of any objections, papers and briefs to each of the addresses listed below, to be received no later than August 3, 2026.

If you object, you subject yourself to the jurisdiction of the Court in this matter and consent to being deposed in your district of residence and producing, in advance of a deposition, any responsive documents to a discovery request prior to the Settlement Hearing.

All written objections and supporting papers must be submitted to the Court either by mailing them to, or filing them with, the Clerk of the Court such that they are received by the Court or filed no **later than August 3, 2026** at the following address: Clerk of the Court, United States District Court for the Southern District of New York, Daniel Patrick Moynihan United States Courthouse, 500 Pearl Street, New York, NY 10007.

You must also mail or deliver copies of any objections, papers and briefs to **each** of the counsel below such that they are **received no later than August 3, 2026**:

19. What is the difference between objecting and excluding myself?

Objecting is telling the Court you do not like something about the Settlement or some part of it. You can object only if you stay in the Settlement Class. Requesting exclusion is telling the Court you do not want to be part of the Settlement Class or the Settlement. If you exclude yourself, you cannot object to the Settlement because it no longer concerns you. If you stay in the Settlement Class and object, but your objection is overruled, you will not be allowed a second opportunity to exclude yourself.

THE COURT'S SETTLEMENT HEARING

The Court will hold a hearing to decide whether to approve the proposed Settlement, the Fee and Expense Application, and the Plan of Allocation. You may participate, and you may ask to speak, but you do not have to.

20. When and where will the Court decide whether to approve the proposed Settlement?

The Court will hold a Settlement Hearing, either in person or remotely at the Court's discretion, at Daniel Patrick Moynihan United States Courthouse 500 Pearl St., New York, NY 10007-1312, in Courtroom 12C, on August 24, 2026, at 2:30 p.m. ET.

At this hearing, the Court will consider whether the proposed Settlement is fair, reasonable, and adequate and should be approved by the Court; whether an Order and Final Judgment as provided for in the Stipulation should be entered; and whether the proposed Plan of Allocation should be approved. If there are objections, the Court will consider them, and the Court will listen to people who have asked to speak at the hearing. The Court may also decide how much should be awarded to Lead Counsel for attorneys' fees and expenses and compensatory awards to Plaintiffs for their service to the Settlement Class.

You should be aware that the Court may change the date and time of the Settlement Hearing, or decide to hold it remotely, without another notice being mailed to the Settlement Class Members. If you want to attend the Settlement Hearing, you should check with Lead Counsel or on the Settlement website, www.SolarEdgeSecuritiesLitigation.com beforehand to be sure that the date and/or time has not changed.

21. Do I have to come to the hearing?

No. Lead Counsel will answer any questions the Court may have. However, you are welcome to attend at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you submit your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary. Settlement Class Members do not need to appear at the Settlement Hearing or take any other action to indicate their approval.

22. May I speak at the hearing?

If you object, you may ask the Court for permission to speak at the Settlement Hearing. To do so, you must include with your objection (see question 18 above) a statement that you "intend to appear in *In re SolarEdge Technologies, Inc. Securities Litigation*, Case No. 1:23-cv-09748-GHW-OTW (S.D.N.Y.)." Persons who intend to object to the Settlement, the Plan of Allocation, and/or the application for an award of attorneys' fees, costs, and expenses, and desire to present evidence at the Settlement Hearing, must include in their written objection the identity of any witnesses they may call to testify and exhibits they intend to introduce into evidence at the Settlement Hearing. You cannot speak at the hearing if you exclude yourself.

IF YOU DO NOTHING

23. What happens if I do nothing at all?

If you do nothing, you will not receive a payment from the Settlement. However, unless you exclude yourself, you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against Defendants or the Defendants' Releasees about the Released Plaintiffs' Claims (as defined in the Stipulation) ever again.
